Christian Leadership Essay Question:

Worldview is defined by dictionary.com as “The overall perspective from which one sees and interprets the world” and as “A collection of beliefs about life and the universe held by an individual or a group.” It can also be described as a “framework through which an individual interprets the world and interacts in it” (Wikipedia.com). With these definitions in mind, please share your worldview by discussing the impact (pro or con) of modern technology (facebook.com, myspace.com, instant messaging, and cell phones) on our lives. You may cite whatever sources you wish.
