## The Providence Perspective

At Providence Christian College we gladly confess and seek to practice the Biblical teaching that all of life must be lived under the rule of Christ. Therefore, the instruction, attitudes and lifestyles of everyone at Providence must clearly express this truth. In our lifestyle, the college community is to obey God's Word. We are to demonstrate a repentant, redeemed heart and life. All of us are to respect one another as Christians, and to faithfully care for God's creation.

Secondly, at Providence, we understand the Bible as the infallible, inerrant Word of God. We must each seek to know in our hearts and minds that God created all things, how Christ redeemed us out of the fallen human race by His grace, and what this means as we live a life of gratitude in our world.

Since Providence Christian College unashamedly is a Christian college, all of life, inside and outside of the classroom, is to be lived for the glory of God, in obedience to His Word, the Bible, and in gratitude for our salvation in Jesus Christ. Students must make it their goal to understand the Bible's teachings concerning holiness, love of God and others, godliness, and to increasingly live in accord with these teachings. They, along with the rest of the college community, must demonstrate personal moral integrity in all the areas of their lives and work as part of that community. Being a part of the community at Providence Christian College means that we all are accountable first to the Lord, and then also to one another as brothers and sisters in Christ. (Further information regarding campus life policies may be found on the Providence website: [www.providenceccc.net](http://www.providenceccc.net).)
